

Taste of London

The Taste of London festival takes place over five days in June and provides top flight food, drink and entertainment at Regent's Park . Qdos Event Hire further cemented their relationship with organiser IMG and and supplied toilets, cabins, stores and offices to support the event.

To ensure that event goers had all the facilities that they needed Qdos supplied sixteen of their luxury toilet trailers in a combination of male and female and a further three disabled units. They also delivered all servicing and maintenance for the duration of the event ensuring the toilets were cleaned, re-stocked with consumables and any minor repairs were carried out with speed.

The temporary accommodation included three 18' open plan mobile cabins that were used as an accounts office, staff room and show management office. Three 10' containers were supplied for the MB stores. A 32' open plan hospitality cabin was used as a production office, whilst another was utilised for JCR and a 16' open plan cabin became a security cabin.
