NEW Modular Buildings

- Our brand new modular buildings deliver the ultimate flexible solution for any short or long-term hire project.
- Each module has a 20ft x 8ft footprint, they can then be configured to create large open plan spaces.
- Panels are designed for removal and repositioning, so for longer term projects we can adjust layouts to suit the user's needs.
- And, to allow you to completely maximise space, we are able to deliver flat pack and assemble units in the trickiest of spaces once onsite.

Key features include:

- ✓ Expandable and adaptable at any time
- ✓ They can also be double, and triple stacked and fitted with internal or external staircases
- ✓ Category 2 light fittings
- ✓ Windows with tilt and turn mechanism and roller shutter
- ✓ Cable access hole, noticeboard and coat hooks
- ✓ Low level lifting eyes
- ✓ Plug & Play electrics
