

# FAST FIT PARTITIONS AND DOORS

**THE QUICKEST, MOST COST-EFFECTIVE PARTITIONING SOLUTION FOR PORTABLE AND MODULAR BUILDINGS**

**KABINWALL**

INSTALLED IN

**60**

MINUTES

## **Can be used again and again**

By removing the need for plasterboard stud walling, KabinWall re-usable partitions and doors deliver significant time and cost savings to anybody wanting to divide portable and modular buildings.

Installed by one person in just an hour and completely re-usable, the KabinWall system is suitable for all sizes of building.

Strong, attractive and designed for the easiest possible installation, KabinWall makes the job simpler and faster, saving money and improving efficiency.
