HIGH QUALITY TEMPORARY ACCOMMODATION, WELFARE AND TOILET FACILITIES

Cabins

“Cabins are such a vital aspect of our successful operation....Qdos was able to provide everything that we asked for...”

We have an extensive range of cabins in various sizes and configurations available for multiple uses.

These include:

- Open Plan Offices
- Artists' Dressing Rooms
- Split Offices
- Premium Hospitality Suites
- Mobile Offices
- Security Offices/Guard Houses

All cabins come with several standard features across the range including 32 amp single-phase external power connection socket, large picture windows with blinds, cable access points, coat hooks, noticeboards, double sockets, and wall heaters.

Our Next Generation Production Offices are a great addition to any event site.

Evolved from our existing range of cabins, they feature rounded corners and hidden jacklegs to offer a sleeker and more stylish exterior.

Additional updates include:

- Double glazed windows
- LED lights with PIR sensors
- Improved access points for cables
- USB ports on electrical sockets
- Upgraded insulation
- Contemporary dark vinyl floor covering
- External light over entrance door
- Internal 16 amp single phase socket

Next Generation Production Offices

“Thank you! I can't express enough how amazing the team has been through this extremely challenging gig.”

VIP En suite Dressing Rooms

“The Coronation Concert at Windsor Castle was a truly exceptional event. As always Qdos went above and beyond. You know from the moment that you arrive onsite in the morning that you are in safe hands.”

Our VIP En suite dressing and changing rooms create a luxurious environment for artists, celebrities, athletes, footballers, cricketers, golfers and other sports people to prepare for competing, filming and performing.

Infinitely flexible they come complete with wash room facilities, including a toilet, basin and shower. They are delivered as a blank canvas however, costs for soft furnishings, changing and dressing areas are available upon request.

All units are rapidly installed and once connected to electrics and services are immediately ready for use.

Our extensive range of high-quality ticket offices are utilised at a wide variety of events.

Smart and presentable they have ample space for staff to deal with visitors and come with a combination of two, three or four windows to assist with a faster through put of visitors.

They are all fitted with accessible doors and we also have drop window options that are DDA compliant.

All units come pre-fitted with internal service counter, complete with cable access.

They are rapidly installed and once connected to power are immediately ready for use.

“Thank you so much for everything that you do for us – you go above and beyond always and your service is second to none. So, thank you for your support, your care for your job, your dedication and, above all, for sharing the journey with us.”

Washrooms

“From the scheduling and load in to during event time and the load out, the entire project was meticulously planned by Qdos’ dedicated project management team. The standard of service and the kit we received were very high and the contract was fulfilled on time and within budget.”

Our range of Washrooms provide a touch of luxury over a long period onsite and are a welcome extra to event organisers, production teams, crew and event goers alike.

Standard features include:

- Private and spacious changing areas
- Individual cubicles
- Seamless design that ensures they're easy to clean
- Gas and electric hot water supply options

We have a reputation for providing a professional, efficient and reliable service. All our shower facilities are delivered spotlessly clean.

Our extensive fleet of Restrooms include:

- Mains Jackleg Toilets - Ladies, Gents & Mixed
- Single & Accessible Toilets
- Accessible/Baby Change
- Luxury Vacuum Toilet Trailers
- Luxury Traditional Toilet Trailers
- Mains Toilet Pods in single, 2 bay & 4 bay
- Honeywagons

All come with standard features: paper consumables, hand soap & hand sanitiser dispensers; high volume capacity, low water usage taps & cistern flushes; wheelchair accessible doors (where applicable); wall heaters and high level windows.

“To deliver a Ryder Cup you need contractors that have a good product, who can deliver on time and someone who you can trust to do their job. Qdos has all three of these qualities and more. I have never worked with a company that goes above and beyond as much as Qdos!”

Modular Buildings

"I would use Qdos everywhere I could if it was up to me because I know that they will deliver a superb range of products in great condition, I know they will deliver everything early alleviating the stress for the event managers and most importantly they will do it with a smile on their faces."

Our modular buildings deliver the ultimate flexible solution for any short or long-term hire project.

Each individual module is 20ft x 8ft, these can be configured to create large open plan spaces.

They can also be double and triple stacked, and fitted with internal or external staircases.

Panels are designed for removal and repositioning, so for longer term projects we can adjust layouts to suit the user's needs.

Bespoke solutions are available but these do carry a pre-preparation charge for the configuration of the units.

We deliver a wide range of modular buildings, cabins and welfare facilities to TV & Film locations throughout the UK.

From short or long-term filming projects to broadcast compounds for major sporting and public events, we have a range of temporary accommodation to suit.

We can deliver to multiple venues, studios and locations and our modular solutions are perfect for sites with challenging access.

We have a range of optional extras that we can add including furniture, privacy blinds, lighting solutions, staircases, partition walls, heating, temporary air conditioning and more.

Location Facilities

“It was a delight to work with you, everything from the planning, to the delivery and removal was done in a professional and extremely efficient manner. Even difficult locations which had limited space were not a problem for your Staff.”

Additional Services

“Flexible, reliable and a good range of product options has meant Qdos has been able to react to varying needs in sometimes pressured situations. Qdos never fail to impress and go beyond their remit. They are efficient and ‘hands on’ - helping out where they can with all areas of the event.”

We are able to offer a variety of additional services to improve the aesthetics of our cabins, as well as extra facilities to increase their usage.

These include everything from linking and stacking units, adding staircases, external balconies and bespoke timber decking, to the installation of entranceway features, handrails, cladding and event branding.

Many of our mains toilets can be fitted with waste tanks if there isn't easy access to drainage.

We also have a range of secure storage containers available in sizes from 6ft x 6ft to 40ft x 8ft.

Many of the products within our extensive range are available as accessible options and can readily be adapted to create inclusive spaces for events, film and TV productions.

These include:

- Mains Accessible Toilets
- Single Accessible Event Toilets
- Accessible Shower Pods
- Accessible Wetrooms
- Changing Places
- Adapted Vehicles

In addition, all our cabins come fitted with wider doors as standard, the addition of a ramp makes them instantly accessible.

Accessible Products

“We were really keen to find a reliable supplier with quality products that we could build a long term working relationship with. Qdos has an extensive range of products and being able to source multiple items from one supplier is an added benefit.”

About Us

Qdos Event Hire was established to provide high quality temporary accommodation, welfare and toilet facilities with superior service levels to the events, film & TV industries.
